

Western Pennsylvania Dairy Goat Association

(www.wpdga.com)

To whom it may concern,

Western Pennsylvania Dairy Goat Association is a regional dairy goat group. We meet monthly, have hands on workshops and educational seminars to promote the dairy goat industry. We recently voted to host our yearly dairy goat show in Franklin, PA. It will be an ADGA sanctioned two ring buck show and Youth/Adult Showmanship on Friday, June 2, 2023. On Saturday June 3, 2023 we will have 2 ring ADGA Sanctioned Senior and Junior Doe Shows. We are expecting a large showing of goats from the eastern United States to the Mid-west.

We are looking for monetary sponsorships to help pay for the judges and the fairgrounds for this large undertaking. In exchange for your sponsorship, we will promote your business by posting your sponsorship on our website, <http://www.wpdga.com/>, and will add your website address or other contact information for your business. In addition we would appreciate any catalogs, business cards, or banners you would like us to display at our show.

On behalf of WPDGA, I would like to thank you for your time and consideration in this matter. Please feel free to call or email if you have any questions.
